DuPage County Health Department announces New STD clinic location in Addison beginning June 21

The DuPage County Health Department announces a new clinic for sexually transmitted diseases at its Addison office, 1111 W. Lake Street. The new clinic opens June 21.

The clinic services include Chlamydia, gonorrhea, syphilis and HIV testing. Clinic hours are 4 p.m. to 8 p.m. on Thursdays.

The clinic offers confidential diagnosis and treatment. Call for (630) 682-7400 for an appointment. There is a \$50 fee for services.

For information on this clinic or other health department STD services, call (630) 682-7400.
