There is serious discussion/planning to open a MH Court in the Second Municipal District (northern suburbs), very soon, likely by the end of summer. Discussions are just beginning to open a MH Court in the Sixth Municipal District (southern suburbs) by the end of this year. So, by the 2010 Conference the three suburban districts plus the city are expected to be covered. By the end of 2011, the plan is to be operational in the other two Districts, thereby covering all of Cook County. The plan is for Mark Kammerer to function as coordinator for the entire County.
