Forensic Behavioral Health Counselor

Job Code: 7672

Posted from: November 27, 2019
Applications accepted until position is filled

Position Information

Division/Department: Behavioral Health Services, Forensic Behavioral Health, Wheaton Office

Schedule: Full-time, 37.5 hours per week, 2 evenings per week.

Grade: 214

Base Salary: \$ 42,510 – 50,000

Responsibilities include:

- Primary clinical responsibility includes providing comprehensive substance use treatment (individual & group) and case coordination to those involved in the criminal justice system. DCHD currently provides Early Intervention, Outpatient, Intensive Outpatient, and MAT programming.
- Provide treatment that is evidence based to individuals, groups or families; treatment includes focus on integration of behavioral health and primary health wellness.
- Collaborates with criminal justice partners including county probation & corrections.
- Meets established productivity standards while completing collaborative documentation and demonstrating independent judgment and discretion in making position related decisions.
- Provides and follows-up on referral and community resource linkage.
- Cooperates and participates in team meetings to assess client progress, as well as, collaborates with co-workers, healthcare providers and other agencies in the community to assure a comprehensive plan of care and necessary resource linkage to service.
- Maintains required training, licensure and/or certification and confidentiality of privileged information at the same time adhering to client privacy laws.
- Consults with staff concerning client and program issues and provides community support and case management services.
- Participates in emergency response activities as assigned.

Requirements include:

Completion of a Master's degree in Psychology, Social Work or related field and two years of experience working with adults experiencing substance use issues and chronic mental illnesses; must have LPC, LCPC, LSW or LCSW licensure with substance use treatment experience; ALMFT/LMFT also eligible in combination with CADC.

The preferred candidate will have good knowledge of the criminal justice system and ASAM criteria for treatment
