*Data are provisional as of 11:00am 3/30/2020 and subject to change.

In DuPage County since yesterday, there are 44 additional confirmed cases of coronavirus disease 2019 (COVID-19) and two deaths, a female resident of the Willowbrook long-term care facility in her 70s with underlying conditions, and a male in his 60s with underlying conditions who had been living in the community. Among DuPage County residents, there are now 319 confirmed cases of COVID-19, including 9 deaths. To date, these deaths have occurred among patients older than 60 years of age.

The number of COVID-19 cases and deaths being reported continues to rise, in part, due to the increase in testing by commercial and hospital laboratories, as well as the spread of the virus in the community.

Across Illinois, the age of cases ranges from younger than one to 99 years. The number of cases in DuPage County as well as the most up-to-date information can be found on the DCHD website, www.dupagehealth.org/covid19.

To assist in the COVID-19 response, DuPage County is accepting donations of Personal Protective Equipment (PPE). To donate unused PPE, which must be in the original manufacturer's package, please visit www.protectdupage.org. If you have questions about donating PPE, please send an email to: eoc.logistics@dupageco.org.
