Media Alert: Daily COVID-19 Case Counts* for DuPage County

Coronavirus Disease 2019 (COVID-19) Case Counts* in DuPage County, 2020	
Total cases in DuPage County residents	Total Willowbrook long-term care facility outbreak-associated cases
393 (69 outbreak-associated** and 324 non-outbreak-associated cases), including 13 deaths	49 (33 residents and 16 staff), including 6 deaths)

*Data are provisional as of 12:00pm 4/1/2020 and subject to change.

**Outbreak-associated cases are linked to a congregate setting (e.g., long-term care facilities, workplaces, schools) or large gathering (e.g., convention, concert).

Regarding the 69 outbreak-associated cases among DuPage County residents, 41 cases including 6 deaths are attributed to the Willowbrook long-term care facility (LTCF), 10 cases including 3 deaths are attributed to 3 additional LTCFs, and 18 cases are attributed to 8 outbreaks from other congregate settings or large gatherings.

DuPage County Health Department (DCHD) announces three additional deaths of persons with COVID-19 infection reported since yesterday:

- Female resident of a Carol Stream long-term care facility in her 90s with underlying conditions
- Female resident of an Elmhurst long-term care facility in her 70s with underlying conditions
- Female resident of Roselle in her 60s with underlying conditions, who had been living in the community.

DCHD expresses our deepest sympathies to the families and caregivers of these individuals. We continue to work closely with our healthcare and community partners to reduce risk of COVID-19 complications and death, especially in our most vulnerable populations.
