Media Alert: Daily COVID-19 Case Counts* for DuPage County

Coronavirus Disease 2019 (COVID-19) Case Counts* in DuPage County, 2020	
Total cases in DuPage County residents	Total Willowbrook long-term care facility outbreak-associated cases
606 (88 outbreak-associated** and 518 non-outbreak-associated cases), including 19 deaths	51 (34 residents and 17 staff), including 7 deaths

*Data are provisional as of 11:00am 4/4/2020 and subject to change.

**Outbreak-associated cases are linked to a congregate setting (e.g., long-term care facilities, workplaces, schools) or large gathering (e.g., convention, concert).

Since yesterday, there are 111 new cases of COVID-19 in DuPage County including two deaths.

Regarding the 88 outbreak-associated cases (including 13 deaths) among DuPage County residents:

- 42 cases (including 7 deaths) are attributed to the Willowbrook long-term care facility (LTCF),
- 25 cases (including 6 deaths) are attributed to 7 additional LTCFs, and
- 21 cases are attributed to 10 outbreaks in other congregate settings and large gatherings.

DuPage County Health Department (DCHD) announces two additional deaths of persons with COVID-19 infection reported since yesterday:

- Female resident of a Carol Stream long-term care facility over 100 years of age, with underlying conditions.
- Male resident of a Carol Stream long-term care facility in his 70s, with underlying conditions.

DCHD expresses our deepest sympathies to the families and caregivers of these individuals. We continue to work closely with our healthcare and community partners to reduce risk of COVID-19 complications and death, especially in our most vulnerable populations.
