Media Alert: Daily COVID-19 Case Counts* for DuPage County

Coronavirus Disease 2019 (COVID-19) Case Counts* in DuPage County, 2020	
Total cases in DuPage County residents	Total Willowbrook long-term care facility outbreak-associated cases
873 (113 outbreak-associated** and 760 non-outbreak-associated cases), including 28 deaths	51 (34 residents and 17 staff), including 8 deaths

*Data are provisional as of 11:00am 4/8/2020 and subject to change.

**Outbreak-associated cases are linked to a congregate setting (e.g., long-term care facilities, workplaces, schools) or large gathering (e.g., convention, concert).

Since yesterday, there are 93 new cases of COVID-19 in DuPage County including two deaths reported.

Regarding the 113 outbreak-associated cases (including 17 deaths) among DuPage County residents:

- 42 cases (including 8 deaths) are attributed to the Willowbrook long-term care facility (LTCF),
- 51 cases (including 9 deaths) are attributed to 11 additional LTCFs, and
- 20 cases are attributed to 10 outbreaks in other congregate settings and large gatherings.

DuPage County Health Department (DCHD) announces two additional deaths of persons with COVID-19 infection reported since yesterday:

- Female resident of a Burr Ridge long-term care facility in her 80s with underlying conditions, and
- Male resident of DuPage County in his 60s with underlying conditions who had been living in the community.

DCHD expresses our deepest sympathies to the families and caregivers of these individuals. We continue to work closely with our healthcare and community partners to reduce risk of COVID-19 complications and death, especially in our most vulnerable populations.
