<th>Coronavirus Disease 2019 (COVID-19) Case Counts* in DuPage County, 2020</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Total cases in DuPage County residents</strong></td>
</tr>
<tr>
<td>3,245 (621 outbreak-associated** and 2,624 non-outbreak-associated cases), including 174 deaths</td>
</tr>
</tbody>
</table>

*Data are provisional as of 11:00am 5/1/2020 and subject to change.
**Outbreak-associated cases are linked to a congregate setting (e.g., long-term care facilities, workplaces, schools) or large gathering (e.g., convention, concert).

Since yesterday, there are 152 new cases of COVID-19 in DuPage County including 10 deaths reported.

Regarding the 621 outbreak-associated cases (including 127 deaths) among DuPage County residents:
- 47 cases (including 11 deaths) are attributed to the Willowbrook long-term care facility (LTCF)
- 510 cases (including 116 deaths) are attributed to 50 additional LTCFs, and
- 64 cases are attributed to 27 outbreaks in other congregate settings and large gatherings.

DuPage County Health Department (DCHD) announces 10 additional deaths of persons with COVID-19 infection reported since yesterday:
- Male resident of a Westmont long-term care facility in his 70s with underlying conditions,
- Male resident of a Naperville long-term care facility in his 80s with underlying conditions,
- Female resident of a Westmont long-term care facility in her 90s with underlying conditions,
- Female resident of DuPage County in her 70s with underlying conditions who had been living in the community,
- Female resident of a Bloomingdale long-term care facility in her 80s with underlying conditions,
- Male resident of a Westmont long-term care facility in his 80s with underlying conditions,
