**COVID-19 TESTING
IN DUPAGE COUNTY**

DuPage County Complex COVID-19 Test Site

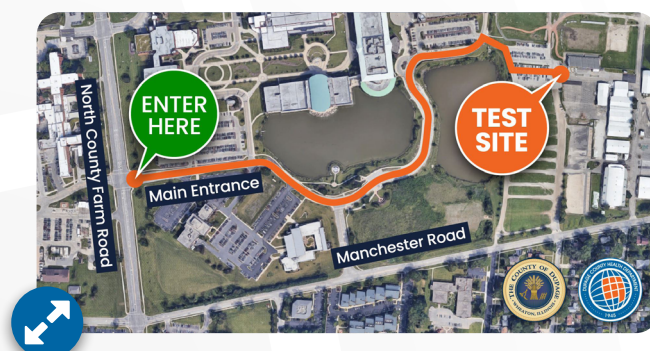

North County Farm Road to Complex Main Entrance, Wheaton, IL

DuPage County is now offering community-based COVID-19 testing at the DuPage County Complex. The entrance is located County Farm Road, at a stoplight a few blocks north of Roosevelt Road.

This is a drive-thru testing site. The test is free, but there is a limited number of test available each day. At the site, a staff member will instruct each individual to swab their nostrils for a sample.

Hours of Operation

The testing site is open **Monday through Friday from 7:00 a.m. to noon or until the daily test capacity of 600 tests is met.**

Who Should Get Tested

Anyone may get tested, regardless of symptoms or other criteria.

Definition of Symptoms

Symptoms may appear 2-14 days after exposure to the virus. People with these symptoms may have COVID-19:

- Fever or chills
- Cough
- Shortness of breath or difficulty breathing
- Fatigue
- Muscle or body aches
- Headache
- New loss of taste or smell
- Sore throat
- Congestion or runny nose
- Nausea or vomiting
- Diarrhea

What to Expect During Your Visit

Due to the demand for this service, we anticipate there could be significant wait times associated with these drive-thru community-based testing sites. Please be patient. If you are experiencing a medical emergency, you are urged to call your doctor or emergency department to seek immediate care and instructions.

To help reduce wait times, you may pre-register prior to your visit at www.testdirectly.com.

Only people who arrive in a cars will be allowed to be tested. People will need to remain seated in their car at a working window (window must go up and down). Once in line at the CBTS, you will not be permitted to exit your car. Bathrooms are not available on-site. For the safety of the testing personnel, the drive-thru sites will not accept walk-up individuals.

We cannot accommodate vehicles:

- With windows that do not function
- That are not self-contained (e.g. convertible with top that will not close)
- With trailers
- With a pet
- With occupants that cannot sit at a window that rolls down
- Buses

To support privacy of those at the site, photography and video are not permitted.

Waiting for Your Results

You may use myresults.testdirectly.com to obtain your results using the unique key you received at the testing site. Test results are available within 4 to 7 days of your test.

As you wait for your results, if you are ill, stay in touch with your doctor. Keep in mind your symptoms may be due to another condition that requires prompt evaluation and treatment. Stay at home except for medical appointments. Call ahead before visiting your doctor. As much as possible, stay in a specific room and away from other people and pets. If you must be around other people or animals, wear a face cloth over your nose and mouth. For more information on how to keep you and others safe, view [Stop the Spread of Germs](#). For Spanish, [click here](#).

Other Community Based Testing Locations:

For information on other CBTS locations throughout the state of Illinois, please refer to the [State of Illinois Community-Based Testing Sites](#) page. For general guidance on testing, please refer to the [State of Illinois COVID-19 Testing Guidance \(PDF\)](#).
