## Media Alert: Daily COVID-19 Case Counts\* for DuPage County

<b>Coronavirus Disease 2019 (COVID-19) Case Counts* in DuPage County, 2020</b>
<b>Total cases in DuPage County residents</b>
<b>16,659, including 549 deaths</b>

\*Data are provisional as of 8:00 am 9/20/2020 and subject to change.

The DuPage County Health Department provides further information on our data dashboard for COVID-19-related cases by age group, hospitalizations, deaths, lab positivity, outbreak-associated counts by municipality and community transmission level.

Information is also available for COVID-19 cases and deaths among DuPage County residents by race, ethnicity, severity, long-term care facility outcomes, underlying medical conditions, doubling time and recovery rate. Visit the DuPage County COVID-19 Dashboard at [www.dupagehealth.org/covid19data](http://www.dupagehealth.org/covid19data).

Individual long-term care facility outbreak updates are provided on the Illinois Department of Public Health website.

Since yesterday, there are 59 new cases of COVID-19 in DuPage County with no deaths of persons with COVID-19 infection reported.

DuPage County Health Department remains committed to address the significant impact and unfortunate loss of life related to COVID-19. Our efforts continue with healthcare and community partners to reduce the spread of COVID-19 in DuPage County.

*Correction: The COVID-19 case count entered in yesterday's daily update from 9/19/2020 should have been 16,600 cases, not 16,660 cases. The correct case count of 16,600 had been posted to the DuPage County COVID-19 Dashboard yesterday. The increase of COVID-19 cases since the prior day of 9/18/2020 with 16,469 cases was correctly reported as an increase of 131 cases. We regret the error.*
