Media Alert: Daily COVID-19 Case Counts* for DuPage County

| |
|--|
| Coronavirus Disease 2019 (COVID-19) Case Counts* in DuPage County, 2020 |
| Total cases in DuPage County residents |
| 22,611, including 607 deaths |

*Data are provisional as of 8:00 am 10/28/2020 and subject to change.

NOTE: Due to delays with the Illinois Department of Public Health (IDPH) reporting system used by local health departments, DCHD will not be providing a daily update of new cases and deaths until the issue is resolved. The current number of confirmed cases and deaths in DuPage County are available at the IDPH website here: <https://www.dph.illinois.gov/covid19/covid19-statistics>.

DuPage County Health Department (DCHD) recognizes that the COVID-19 Dashboard is an important tool for decision making and many within the community rely on these data. DCHD is working with IDPH to provide up-to-date information.

The DuPage County Health Department provides further information on our data dashboard for COVID-19-related cases by age group, hospitalizations, deaths, lab positivity, outbreak-associated counts by municipality and community transmission level.

Information is also available for COVID-19 cases and deaths among DuPage County residents by race, ethnicity, severity, long-term care facility outcomes, underlying medical conditions, doubling time, recovery rate, and outbreaks by setting. Visit the DuPage County COVID-19 Dashboard at www.dupagehealth.org/covid19data.

Individual long-term care facility outbreak updates are provided on the Illinois Department of Public Health website.

Since yesterday, there are 15 new cases of COVID-19 in DuPage County with no deaths of persons with COVID-19 infection reported.

DuPage County Health Department remains committed to address the significant impact and unfortunate loss of life related to COVID-19. Our efforts continue with healthcare and community partners to reduce the spread of COVID-19 in DuPage County. ###
