## Vision and Hearing Technician

Job Code: 7321

Posted from June 5, 2019  
Applications accepted until position is filled

### **Position Information**

**Division/Department:** Public Health Services, Vision and Hearing Program, throughout DuPage County

**Schedule:** On-call as needed

**Grade:** 111

**Salary Range:** \$14 – \$16.50 per hour

### **Responsibilities include:**

- Conducts vision and hearing screening tests for school aged children to identify possible vision and hearing deficiencies
- Transports equipment to various educational and daycare establishments
- Conducts follow-up tests and contacts parents for follow-up
- Compiles statistical information for submission to State of Illinois
- Establishes and maintains client files and charts
- Ensures that release forms or consent forms have been signed
- Sanitizes materials and equipment

### **Requirements include:**

Three years of experience in a clinic or medical environment which involved a high degree of public contact, specifically with children, and the equivalent of two years of college coursework completed in a related field; or an equivalent combination of training and experience.

Current certification in Vision and Hearing Screening from the state of Illinois, or the ability to obtain such certification within three (3) months of hire or when the state opens availability for certification testing. In addition, this position requires use of personal transportation to travel to various locations within DuPage County.

While performing the duties of this job, the employee is regularly required to bend, crouch, or stoop, and lift and carry up to 15 pounds.
