#### What you should know about the COVID-19 vaccination:

- You will need to sit in observation for at least 15 minutes and possibly up to 30 minutes based on clinical history.
- You will need to keep the vaccination card with the date of your first dose on it. The Pfizer vaccine, requires two doses AT LEAST 21 days from your first dose.
- You are not considered “fully” vaccinated until 2 weeks after your final dose of vaccine.
- Health insurance or legal immigration status is not needed to receive a COVID-19 vaccine.
- **Anyone under 18 years old must have a parent or legal guardian accompany them.**

Pfizer booster shots are currently available for anyone age 12+.
