

COVID-19 Vaccine Clinic

Clinic is free and open to all eligible individuals.

Week of February 4, 2023

Location	Date & Time	Services Offered
Access DuPage Office (Ages 6 months+) 511E Thornhill Drive, Carol Stream	Saturday, February 4 9:00 am – 12:00 pm	Pfizer COVID-19 Monovalent Vaccine & Bivalent Booster

COVID-19 Vaccination:

The Care Van offers:

Pfizer Primary series monovalent vaccine:

- Ages 6 months to 4 years requires three doses each, 8 weeks apart.
- Ages 5+ requires two doses, 8 weeks apart.

Pfizer bivalent booster:

- Ages 12+ are recommended to receive one updated bivalent booster dose with protection against the Omicron variant 2 months after completing a primary vaccination series or 2 months after their last dose.

You will be asked to sit and wait for 15 minutes and possibly up to 30 minutes based on clinical history to monitor for any possible side effects.

- You will need to keep the vaccination card with the date of your first dose on it. The Pfizer vaccine requires two doses AT LEAST 8 weeks from your first dose.
- You are not considered “fully” vaccinated until 2 weeks after your final dose of vaccine.
- Health insurance or legal immigration status is not needed to receive a COVID-19 vaccine.
- **Anyone under 18 years old must have a parent or legal guardian accompany them.**

Pfizer booster shots are currently available for anyone age 5+.

To host the Care Van in your community, please fill out the request form at dupagehealth.org/covid19mobileclinic
