Teens Who Join Reality Make a Difference in Community

High school aged teens in DuPage who want to make a difference in their communities may want to consider joining Reality Illinois. Reality Illinois Teen Advisory Board provides input to the DuPage County Health Department on teen health issues. Reality is looking for high school students in DuPage County to volunteer to make a lasting impact on the lives of others. This is done through education and promotion of policy changes that reduce youth substance and tobacco use and increase mental wellness.

All are welcome to attend their next monthly meeting at 6pm to 7pm Tuesday, Nov 8 at the Glenbard District Administration Building, in Glen Ellyn when Life Coach Patrick Donahue will present on, The Positive Teen Habits to Build Leadership, Manage Stress and Strengthen Relationships. At this important event students will identify their top priorities and the strategies to help recover time and lower stress. With the awareness of self-knowledge, participants will learn to enhance relationships and be their best self.
